

DMA Dance Portraits

Dance portraits will be taken at the studio during your child's regular class time **Friday, March 20th – Thursday, March 26th**. Dancers should arrive in costume with hair and make-up done according to their teacher's specifications (see woodstockdance.com, PARENT INFO-Recital Info-Costume Details). We encourage all dancers to participate in the group photo which will be displayed in the lobby. There is no charge to be in the group photo and every student will receive a free copy.

Sitting fees are required for any individual/sibling photos to be taken and are payable to “Dance and Music Academy” (please see pricing below, starting at \$20). We will take photos of your dancer in several different poses and post a link on our website to view them online. Prints can be purchased at a discount through SmugMug (see print prices below). This allows you to mix poses and sizes and have them shipped directly to your home within 5-7 business days. There is no deadline to order. We will keep the link on our website for 1 year. Don't forget to send the link to family and friends! If you need assistance placing your online order, our office staff will be happy to assist you.
